Meteghan Sewer Extension

An application for the Meteghan Sewer Extension was submitted through the Build Canads Fund on December 18th, 2014.

The proposed work, which would begin at the AF Theriault property and extend to close to the Placide Comeau Road in Meteghan River, will have the potential to connect up to 57 residences to the new system. Should our application be approved, the work will begin this summer. Paving, which was originally slated to happen in the same area this summer has been postponed and added to TIR's capital plan for next year.

Rendez-vous de la Baie

The Rendez-vous de la Baie Café closed its doors on December 24th, 2014 but will reopen in the spring as a new Social Enterprise Café under the direction of the Clare Organization Representing Persons with Disabilities (CORD). CORD will also take over the RVB boutique operations.

Boundaries Review

The application for the Clare Boundary review was submitted to the Nova Scotia Utility and Review Board on December 23rd, 2014 and all additional information which was requested has been sent. Information relating to the Clare Boundary review may be viewed on the Nova Scotia Utility and Review Board website at www.nsuarb.novascotia.ca

Municipality of Clare Organizational Study

The Municipality of Clare Organizational Study is well under way. The final report is scheduled to be presented to Council at the February 18th Council Meeting.

Staff

I am pleased to announce the hiring of a new employee at the Clare Health Centre. Audrey Aymar started working at the CHC on January 7th, 2015 as a Patient Attendant.
