Stephane, Ronnie & Russell

Good day, I wanted to bring to your attention a serious matter in Meteghan Centre. My family and friends walk this area frequently. I know most people there try to keep it the area clean. But lately people are now using it as a dumping area again. Sample pictures are attached but they do not show the real size of the problem.

From a beach erosion point of view, it is now a very serious issue. The old dump is being unearh and this is causing a safety and toxic situation. I invite you to go see and check it out for yourselves.

There needs to be enforcement on the illegal dumping issue asap before the situation gets worst as well as the old dump site needs a clean up.

Thank you for attention to this matter.

Paul Emile
