Little Brook, NS B0W 1M0

Dear Warden LeBlanc:

The Council of the Municipality of Digby would like to pass along our sincere thank you for the support the Municipality of Clare and your staff have offered in assisting our municipality with building and fire inspection services. This support has been especially important to us following the sudden passing of our longtime building and fire inspector Alfred Doucet.

Our municipal units have a long history of working together and we appreciate the continued support.

Sincerely,

Linda Gregory
Warden
Municipality of Digby
